Stackhouse Part Of Detroit Playoff Drive

The fourth playoff spot in the National Hockey League Eastern Division is up for grabs as at the present time the Detroit Red Wings and the

RON STACKHOUSE

Toronto Maple Leafs are fighting it out to see just what team will make the all important playoffs. The Red Wings at one stage were ten points behind the Maple Leafs but with some added player strength the club started to click and have moved right up to fight it out with Toronto.

One of the players added to the Detroit Red Wings to give them

added strength on the blue line was our own Ron Stackhouse, the only player from the County of Haliburton to make the National Hockey League. Ron, who played with the Haliburton Huskies in the Central Ontario Junior 'D' Hockey League, started his pro career with the California Golden Seals and was traded to the Detroit club in an effort to bolster their defence. He is just one of the reasons why the Wings, who were going nowhere, have all of a sudden blossomed into a contender for fourth place. Playing his usual steady game behind the blue line, Ron has earned himself regular duty on the Detroit roster. Since joining the Red Wings he has picked up a few goals and a large number of assists, and every game that we see him play on television he is more than holding his own end.

Last Tuesday night in a game which the Detroit Red Wings defeated the Buffalo Sabres by a 4-2 score Ron was selected as the second star of the game, and just recently, writing in the Toronto Daily Star, sports columnist Milt Dunnell had high praise for the solid defenceman.

Here in Haliburton, and in the county, we are all really proud that we have placed a hockey player of Ron's calibre in the big leagues and we wish him the best of luck and many more years of success with the Detroit Red Wings in the National Hockey League.

Figure Skating Test Results

The following is a list of the successful candidates of the Test Day for the Minden and Haliburton Figure Skating Clubs which was held on Saturday, February 12, by the Minden Figure Skating Club:

Preliminary Figures - Erin Gilligan, Jill Arbuthnot, Daryl Barry, Angela Sisson, Magdalene Boleso, Rosemarie VanZeyl, Marie Colliss, Kerry Hodgson.

First Figure - Constance Bowers.

Dutch Waltz - Marie Colliss, Angela Sisson, Cynthia Scheffee, Jennifer Sisson, Karen Moxam, Martha Boleso, Marina Pearsell, Allison English, Rosemarie VanZeyl.

Canasta Tango - Martha Boleso, Agnes Boleso, Rosemarie VanZeyl, Jerry VanZeyl.

Swing Dance - Angela Sisson, Daryl Barry, Marnie Blair.

Fiesta Tango - Jane Harvey, Louise Fleming, Sharon Peters, Margaret Ford, Lou Ann English, Jacqueline Gough.

Willow Waltz - Jane Harvey, Louise Fleming, Kathleen Leary, Judy Trumbull, Janet Scheffee.

Ten Fox - Judy Trumbull, Terry Scheffee.

Fourteen Step - Kelly Grier.

Fox Trot - Susan Leary.

European - Mary Welch.

Pee Wees Bow Out Of O.M.H.A. Series

The Haliburton Pee Wees bowed out of the Ontario Minor Hockey Association Playoffs on Tuesday night when they lost to the Beaverton Pee Wees by the score of 7-2 in a contest played at the Beaverton Arena.

Haliburton News Letter

Mr. Sam Shields of the Department of Lands and Forests at Haliburton was the guest speaker at the Rotary Club meeting held at the Orange Hall here last Thursday night. Sam showed two very interesting films on the work of the Department.

Congratulations are in order to a Haliburton rink skipped by Murray Kuno that won first prize in the third event of the 1972 Annual Bancroft Men's Bonspiel which was held recently at Bancroft. Other members of the team were Lester Walling (vice), Cec Bailey (second) and Ron Perrin (lead). Prizes captured by this team were ice buckets, donated by the Bancroft Curling Club.

It's great skiing and snowmobiling weather here, and at times you will see dozens of the machines running around on Head Lake.

We have heard several complaints lately of too many dogs running around loose in the Village of Haliburton. If the owners want to keep their dogs then it is about time that they kept them tied up.

Work is continuing on the new Haliburton Highlands Elementary School at Haliburton in preparation for the school term this September.

The Haliburton Cubs will be holding a Church Parade to St. George's Anglican Church in Haliburton this coming Sunday, February 20, for the service at 11:00 a.m. We have also just been informed that the Boy Scout Father and Son Banquet will be held on Tuesday, February 22.

The Challenge Hockey Match between the Chalkdusters and the Rotary Club of Haliburton has been set for Friday, February 25, at the Haliburton Arena.

Haliburton Habit Stays In Slump

What's the longest losing streak in sports?

Well, you might say Canada's futile attempt in international hockey. Canada's last championship came in 1961.

Or, take the National Hockey League Philadelphia Quakers of the early 1930s. They lost 15 straight games, still a record.

Or, Louisville of the old American Association lost 26 consecutive games in the Major Baseball League in 1889.

Or, Clifton Curtis of Boston once lost 23 straight pitching decisions in the National League (1910-1911).

Bob Colliver of Haliburton has his own losing streak. He has lost 18 straight in the Kawartha Masters Bonspiel, or every game he's played in this rock extravaganza.

No. 18 came against Bill Martynuk of Toronto, 8-6 in an extra end.

It was a close game right from

the first shot, and Colliver almost pulled it out of the hat. The Haliburton skipper, dressed in a brilliant red sweater to go with black slacks and a black cap, puffed nervously on a huge cigar as he looked over his last shot on the extra end in Saturday's match.

Martynuk was counting a pair, with first shot well hidden by two long guards. Colliver had to come through a tight port, bend a bit, hit the shot rock, move it about six inches and stick to count one for a win.

On paper, it was easy. On ice it was a different story. Colliver wrecked on one of the long guards, Martynuk stole two and the Haliburton Habit will have to wait until next year in order to snap the slump.

Colliver's other losses Saturday came to Oshawa's Tom Steen, 9-2, and to Toronto's Dennis Henson, 10-2.

(Peterborough Examiner)

Plan Vaccine Clinic To Stem Rabies Outbreak

Rabies is on the increase in Victoria County, say the Public Health officials, and in an attempt to head an epidemic off a free vaccine clinic will be set up in this county this spring.

Haliburton, Kawartha, Pine Ridge Public Health Inspector R. Chartrand reports that in the past two months seven cows, four skunks, a horse and a bat have been found to have the disease.

He added that about eight county residents have taken the anti-rabies treatment because they had been in contact with rabid animals.

The only farm animals infected in January, the two cows and the horse, were all on one farm, he said, and at this time it appears any outbreak is centred in Mariosa and Eldon Townships.

The owner of those animals was one of the persons who took the 14 anti-rabies injections.

Control of rabies falls almost entirely under the purview of the

Health of Animals Branch of the Federal Department of Agriculture, and it will be that department which will set up the clinic.

Ironically, the clinic is aimed at pets, dogs and cats, and Lindsay, as the centre of Victoria County's population, will benefit most. No cases of rabies have been reported within the town boundaries in recent months.

Rabies, a disease which attacks the nervous system, is transmitted through the saliva of infected animals.

Residents, and especially the children, are warned to be wary of wild animals which are acting in an abnormal manner. This includes even animals which do not run away when approached.

Suspected cases of rabies may be reported not only to the Health Unit on William Street South, but also to the Department of Agriculture or the Department of Lands and Forests who will attempt to pick such animals up.

(Lindsay Daily Post)

Council Of Regent Boss Will Open Education Week

Guest speaker at the official opening of Education Week on Sunday, March 5, in the City of Peterborough will be Norman Sisco, Chairman of the Ontario

School and Dr. F. J. Donevan Collegiate Institute in Oshawa.

He joined the Department of Education in 1961 as a District Secondary School Inspector, later becoming Assistant Superintendent of Secondary Education.

In 1965 Mr. Sisco became Director of the Technological and Trades Training Branch.

He was made a member of a committee preparing concepts and legislation for colleges of applied arts and technology, and travelled in Canada, United States and Europe studying post-secondary educational systems.

When community college legislation was introduced in 1965 Mr. Sisco supervised development and expansion of the Applied Art and Technology Branch.

He was Branch Director during the years when 20 community colleges across the province were just beginning.

He resigned in May 1970 to become the first permanent Chairman of the Council of Regents.

The council is responsible for advising the minister of colleges and universities on planning, development and co-ordination of colleges.

NORMAN SISCO

Council of Regents for community colleges.

Mr. Sisco will speak at the opening ceremonies at 2:30 p.m. at the Memorial Centre there.

He began his educational career in the secondary school system and was Principal of two schools, Haliburton County District High

Can You Size Up Kith and Kin?

AT A FAMILY Christmas dinner there were two sisters and their two brothers, two mothers and their two sons, two single girls and their mothers, two fathers and their two daughters, two grandmothers and their two granddaughters, and, lastly,

two husbands and their wives. Sounds like a crowd, doesn't it? Yet all of them were seated at one normal-sized table, for the total was six. How could that be?

Answer: There were two widows. Each had married the son of the other.

IS EVERYBODY HAPPY? Well, not quite. There are two dozen persons pictured in the diagram above and all but one is smiling. You are asked to take a nose count of persons present and to point out the unhappy face. Hint: Turn the diagram every which way to find all the faces, natch.

Huskies Must Win Final Three Games To End In Second

The Haliburton Huskies are going into their final week of the O.H.A. Central Ontario Junior 'D' Hockey League schedule with a total of three games remaining. The Bancroft Jets, who are in second place as of this date, have just two games left. If the local Huskies can win against the Cannington entry on Wednesday night and then defeat the Bobcaygeon Ti-Cats at home this Saturday, it would set the stage for the final game of the year in Bancroft on Sunday afternoon with second place the prize for the victors. Also at stake going into the final week is the league scoring championship. Gerry McElwain has the edge as he has a couple of points lead with three games left, while Palbiski of the Jets has only two contests left to make up the points that he is behind.

The Haliburton team would have been in a solid position if they could have defeated the Lakefield Chiefs at home here last Saturday night, but instead had to settle for a 6-4 defeat. This ended a seven game unbeaten streak as the Huskies had polished off the Fenelon Falls Flyers 6-2 last Thursday night in the Fenelon Falls Arena. If the Huskies had played as well in the first half of the schedule as they did in the second half they probably would be battling with Lakefield for first place. The team seems to be in good spirits and with the improvement of several of the players — namely Bill Leary, Bev Hicks, Ed McCalum and Floyd Henry — the Huskies will be in top shape for the stretch run and the playoffs.

The Huskies defeated the Fenelon Falls Flyers on Thursday night last without much trouble even though they were down to two lines with Roger Bain out of the lineup. At the midway point of the second period the Haliburton squad were leading 4-1 as Bill Leary had scored twice with singles going to Floyd Henry and Rick Wood. Gerry McElwain and John Parish scored in the third as both the teams played with four men in the penalty box. Coach Scotty LaRue was ejected from the game for protesting several calls by the referees too strenuously. It appears that the referees during the past few weeks are very anxious to have at least one Haliburton player in the penalty box at all times.

The Haliburton Huskies will be taking on the Bobcaygeon Ti-Cats this Saturday night in their last home game of the schedule.

The playoff schedule will be announced in next week's paper. (Report of Haliburton-Lakefield game continued on Back Page)

Local Novices Win 5-1 And 2-0 Games

The Haliburton Novice hockey club who play in the local House League are on a winning streak. Just recently they travelled to Wilberforce and defeated the Wilberforce Novice club by the score of 2-0. The goal scorers were Dave Nicholls and Paul Madden.

Last Thursday night the same two teams met in Haliburton, with the final score Haliburton 5 and Wilberforce 1. The goal scorers for Haliburton in this game were Paul Madden, Jim Lee, Robbie Abbs, Dave Nicholls and Dean Austin.

KIM BRINGS HOME HER INTENDED

I'm rather interested in the subject of marriage these days, for various reasons. Not for myself. Oh, no. Once bitten . . .

But I was asked to write a ceremony for a mock wedding to take place at a bridal shower recently. I used some stock gags. "Marriage is a solemn institution, and is only to be entered into if you wish to spend the rest of your life in an institution." And "Do you take this woman to be your awful wedded wife?" And the conclusion, from a "bishop" who has his services confused, "And may God have mercy upon your souls." Stuff like that.

Thought that was the end of it. Then my daughter arrived home for a weekend, with her current fiancé. It seems the young man had asked her to marry him.

The weekend was pretty obviously a confrontation thing, where the parents and the boy friend are exposed to one another, with the potential bride sitting by, darting wildly nervous glances at both parties. Let's listen in for a moment as panicky thoughts scot through her mind.

(Oh, why did Don have to say that? Mom'll think he's stubborn and stupid just because he didn't agree with her. Oh, no, he made another grammar error! Sure enough, Dad pounced on that. Oh, please Mom, don't go into that three-hour story about how you and Dad lived on \$60 a month when you were married. Oh, lordy, why is Dad asking him all those questions about how much a sculptor makes, how many sculptures he's sold, and how he's going to pay back his student loans, as well as mine because by George he isn't going to support us? Oh, dear, I wish I'd never mentioned it.)

Actually, it wasn't like that at all. In fact, I took the whole thing very lightly, as who wouldn't whose daughter has been engaged three times within a year. The only thing that floored me was that Kim said this fellow wanted to ask my permission to marry her. This seemed so old-worldly in this day and age that I immediately became suspicious, as . . .

(Uh-huh. Wants my permission, eh? Let's see. Permission means approval. Approval means it's going to cost me a lot of money, one way or another. And so on.)

However, as I said, I took it all rather off-handedly until I went

downstairs Sunday morning, and found my wife and daughter arguing about the wedding: how many guests, who they were to be, what she'd wear, where the reception would be, and all that jazz.

"What wedding?" I roared into the maelstrom. At least it stopped them long enough so that they could re-group forces and attack me. I discovered that I was an old fud, a fuss-pot, an obstacle in the course of true love, a cynic, a materialist, and a few other things such as a miser, a hypocrite ("You and Mom didn't have a nickel when you got married"), and a misanthrope. I cheerfully agreed to all charges, which took the steam out of their attack.

Sent the kids off with a flea in their ear, and half our Sunday roast. The flea will buzz unheeded, and the roast will be scoffed with gusto. That's life.

Would it were as simple for everybody as it is for the chap who ran the following advertisement in the "personal" column of the city paper recently:

PROFESSOR

of surgery and head of surgical research of a North American university, widower, age 60, financially very comfortable, brilliant, good looking, in excellent health, active in sports, with broad interest in the humanities, arts and music, wishes to meet an elegant lady of Jewish faith, age 40 to 50, good looking, intelligent, and independently wealthy. Object - matrimony.

The rest of the ad dealt with the mechanics. The ladies were to send photograph and all details. If they shaped up, a meeting would be arranged selectively by telephone. If they didn't, they would get their junk back.

Well, I can't help but admire the man for laying it on the line, even though he is obviously an arrogant boor. He'll get so many letters he'll never have time to get married.

Nor could I help composing in my mind a similar advert extolling my own virtues for Leap Year ladies. It ran to only twelve words. As a party game, try making up your own marriage advertisement. You might be surprised at how much you have to offer to that vale of tears and laughter. Marriage is a solemn institution. If you are a solemn prig.

Obituary

KENNETH MOODY

Mr. Kenneth Moody passed away on Tuesday morning, December 28, 1971, at the Riverdale Hospital in Toronto, after a lengthy illness. He was in his 67th year.

He was born in Peterborough on February 7, 1905.

Kenneth was adopted by Albert and Sarah Moody, who lived at Allsaw in Minden Township, about 1913. Kenneth received his education at Allsaw School, and lived the rest of his life in the Allsaw and Blairhampton area.

Mr. Moody was a very quiet person, keeping all his troubles to himself. He was loved by all who know him, and he was always ready to help anyone, and will be greatly missed.

The late Mr. Moody was the beloved husband of Isabelle Elstone and loving father of Gordon, daughter-in-law Florence and two grandchildren, Kevin and Kimberly, all of Toronto; and is also survived by one sister, Emily (Mrs. Harry Blair) of Haliburton.

The funeral service was conducted from the Chapel of the John Welch and Son Funeral Home in Minden on Thursday, December 30, with interment at the Evergreen Cemetery Vault in Haliburton.

Pallbearers were all nephews, namely Ronald Elstone, Donald Rennie, Vernon Elstone, Richard Elstone, Garry Burk and Beverly McElwain.

Township Of Cardiff Council Minutes

The Regular Meeting of the Municipal Council of the Township of Cardiff was held on February 4, 1972, with all the members being present.

Moved by Ruthven, seconded by Ross, a motion that the minutes of the last regular meeting of the Council held on January 10, 1972, be adopted as read. Carried and signed by the Reeve.

Moved by Peters, seconded by Ruthven, Ross and Peel, a by-law to authorize the carrying on of a community program of recreation within the meaning of the regulations under the Department of Education Act and to provide for the establishment, operation and maintenance of Community Centres pursuant to the Community Centres Act and the regulations made thereunder.

1. The Council of the Corporation of the Township of Cardiff enacts as follows: (a) Pursuant to the Municipal Act, Chapter 249, Section 377/69 and the Community Centres Act and regulations made thereunder, a Community Centre is hereby established for the residents of the municipality; (b) The said Community of Recreation and the said Community Centres shall be directed, managed and controlled on behalf of the Council of the Corporation of the Township of Cardiff by a committee known as the Cardiff Recreation and Community Centre Board.

2. The committee shall be appointed from time to time by the Council of the Corporation of the Township of Cardiff as follows: (a) Two members of the Council

of the Corporation of the Township of Cardiff; (b) Five residents of the said municipality who are qualified to be elected as members of the Council of the Township of Cardiff.

Read a first and second time this 4th day of February, 1972. Read a third time, passed and Numbered 6-72, signed by Reeve Malcolm McGillivray and Clerk Gordon C. Fenwick, and sealed with the Seal of the Corporation this 4th day of February, 1972.

Moved by Peters, seconded by Peel, Ross and Ruthven, a by-law to appoint a By-Law Enforcement Officer for the Corporation of the Township of Cardiff in the County of Haliburton.

Whereas the Council may appoint a By-Law Enforcement Officer who shall have the authority of a Constable with respect to the enforcement of the by-laws of the municipality pursuant to Section 68 of The Police Act, R.S.O. 1970, Chapter 351, and the Council deem it expedient so to do.

Therefore the Council of the Corporation of the Township of Cardiff of the County of Haliburton enacts as follows: that Mr. Emerson Lewis of Highland Grove, Ontario, be, and he is hereby appointed, By-Law Enforcement Officer for the Township of Cardiff. Salary negotiated at \$3,500.00 per annum payable monthly. Duties to commence after Declaration of Office, effective 15th day of February, 1972. Municipal Act, Section 236 (3), R.S.O. 1960, Chapter 249.

Read a first and second time this 4th day of February, 1972. Read

a third time, passed and Numbered 7-72 signed by Reeve Malcolm McGillivray and Clerk Gordon C. Fenwick, sealed with the Seal of the Corporation this 4th day of February, 1972.

Moved by Peters, seconded by Ross, Peel and Ruthven, be it resolved that the Council of the Township of Cardiff instruct the Clerk-Treasurer to proceed to collect all business taxes one year in arrears and prior. Carried.

Moved by Peters, seconded by Peel be it resolved that the Council of the Township of Cardiff authorize the Clerk-Treasurer to forward a cheque to the Haliburton County Board of Education in payment of the Highland Grove School in full as per deed and agreement of purchase; purchase price in the amount of \$717.00 as per covering letter of May 28th, 1971, received from Haliburton County Board of Education. Carried.

Moved by Peel, seconded by Peters, a motion that the Clerk receive the correspondence and items of business discussed, approved, and finalize as required. Carried.

Moved by Ross, seconded by Peters, a motion that the following accounts for the month of January 1972 be paid: Municipal Voucher No. 1 in the amount of \$2,577.73 and Road Voucher No. 1 in the amount of \$3,766.42. Carried.

Moved by Peters, seconded by Peel, a motion that we adjourn this regular Council meeting and meet again on the 3rd day of March, 1972, or by call of the Reeve; meeting to be held at 1:00 p.m. in the Municipal Office on the McGillivray Road. Carried.

Minutes Of Meetings Held By Glamorgan Township Council

A Special Meeting of the Glamorgan Township Council was held on January 11, 1972, at 7:00 p.m., with all members present. It was held to discuss the construction of a new municipal garage.

Moved by J. Dewey, seconded by R. Fotheringham, to request H. C. Bishop to prepare a survey plan and description of municipal property in Lot 29, Concession 5. Carried.

Moved by R. Fotheringham, seconded by Dallyn Pickens, to apply for an additional \$6,000.00 to the E.I.P. program. Carried.

Moved by Dallyn Pickens, seconded by R. Fotheringham, to do repairs and renovations to the municipal buildings as discussed. Carried.

Moved by J. Dewey, seconded by H. Bates, to adjourn until the next regular meeting, unless called earlier by the Reeve. Carried.

The regular February meeting of Glamorgan Township Council was held on February 2, at 7:00 p.m. with all members present except James E. Dewey.

Moved by H. Bates, seconded by R. Fotheringham, that the minutes of the January meetings be adopted as read and filed for future reference. Carried.

Moved by R. Fotheringham, seconded by Dallyn Pickens, to pay bills and accounts in the amount of \$3,740.22. Carried.

Moved by H. Bates, seconded by Dallyn Pickens, to pay Road

Sheet No. 1 in the amount of \$3,286.63. Carried.

Moved by H. Bates, seconded by Dallyn Pickens, that Council's position is not to alter amending By-Law 71-10. Carried.

Moved by R. Fotheringham, seconded by H. Bates, to grant permission to Mr. R. H. Hindle to use that portion of the original road allowance between Lots 25 and 26, Concession 6, as indicated by the plan submitted to Council. Carried.

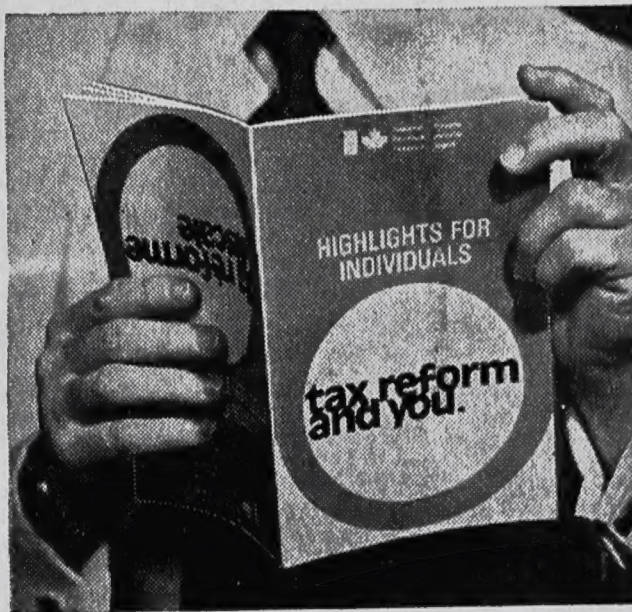

Moved by H. Bates, seconded by Dallyn Pickens, that Council agrees to forward the membership fee of \$28.63 to L.O.R.D.O. Carried.

Moved by R. Fotheringham, seconded by H. Bates, to approve the following severances: (1) Christine Madill - Lot 33, Concession 9; (2) Mr. and Mrs. E. G. Bacon - Lot 24, Concession 6. Carried.

Moved by H. Bates, seconded by R. Fotheringham to adjourn until the next regular meeting in March, unless called earlier by the Reeve. Carried.

Have you got the information you need?

Tax reform is now law. To explain how it affects you, we recently conducted a massive mail-out of information. It is possible, however, that you were not included in the mailing list.

If so, there are two basic booklets you need in order to have a general understanding of how tax reform affects you. They are:

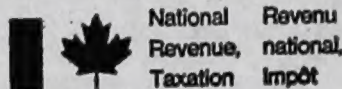

- "Highlights for Individuals"
- "Valuation Day"

To obtain these booklets, simply write to:
Taxation Distribution Centre
P.O. Box 8489, Ottawa
K1G 3L5

or pick them up at your local post office.

Remember, it is in your own interest to read these booklets. Contact us if you have not received them. By preparing now, it will be easier to file your income tax return in 1973.

CHURCH NEWS

LINDSAY PRESBYTERIAL EXECUTIVE MEETING HELD

The Lindsay Presbyterian Executive Meeting was held in the Fenelon Falls United Church on Monday, February 7, with 14 Presbyterian officers and a total of 30 ladies present.

Mrs. A. Gillis, the new President, opened the meeting with a warm welcome to everyone, and read a message from the mini-handbook.

Following the adoption of the minutes of the last meeting, it was announced that the 10th Annual Bay of Quinte Conference will be held in the Queen Street Church at Lindsay on April 10 and 11, taking as the theme "Love is the Issue".

Officers were appointed to the Lindsay Presbytery and the date set for the next Presbyterial on January 24, 1973, in the Cambridge Street Church at Lindsay.

The Treasurer reported that the goal set for the M.&S. for 1971 was exceeded.

Mention may be made of this Presbyterial in the May issue of the Observer by Mrs. Patricia Clarke.

The afternoon session was opened with a poem, "Be on the lookout for Leaders", by Mrs. Gillis.

Mrs. Wellman, reporting for Leadership Development, will be planning a workshop to take place at the afternoon session of the next Executive Meeting for presidents, unit leaders, secretaries and members at large.

The Supply and Welfare Convenor reported that articles are needed for Angola.

Suggestions for study were then made by Mrs. Pierce.

After the meeting was closed a film strip on Africa was shown.

RUTH DRYDEN MISSION CIRCLE MEETING

The monthly meeting of the Ruth Dryden Mission Circle was held on Tuesday evening, February 8, at 7:30 p.m. in the Lakeside Baptist Church, Haliburton. Mrs. Bonyun's group was in charge.

The meeting was opened by the singing of a hymn followed by prayer.

Stella Walker then read a paper, "Prelude to our Mission Study", Open Doors being the subject. Special attention was brought to three passages in the New Testament where God had

"opened doors" for the Apostle Paul to preach the gospel. Scripture readings were given from Acts 14: verses 26 and 27; II Corinthians 2: verse 12; and Colossians Chapter 4: verses 1 to 5.

A study of the work in Bolivia was given by Alice Hacker, taking the form of questions and answers. A map showing the physical terrain of Bolivia was used to describe the difficulties the Bolivians have to overcome. Illiteracy is prevalent amongst the poor of Bolivia, and as the parents have had no education they do not see the need of education for their children. Often at times too, the children are needed to work at home. The government is quite concerned and is conducting some adult literary campaigns, but with the shortage of buildings and teachers this cannot be enforced.

A hymn was sung, after which Stella Walker read an interesting article written by Jane Scott, "My Adventures with God in Love". Love is the most amazing force in life. The New Testament is a documentary of love. It is an established fact that unless we have love in our hearts we can never find joy and peace.

At the close of the devotional period the President, Edith Schram, took the chair and conducted the business session.

A delightful lunch was then served by Irene Roberts and Betty Salvatori and a social time was enjoyed by all.

WHY HAS GOD PERMITTED WICKEDNESS?

Throughout all of man's history there has been much wickedness. And today, no matter where you look in the world, there is bloodshed, crime, hatred and immorality. All too often it is the innocent, decent people who suffer from the wicked acts of others. They may be victims of violence, perhaps losing their homes, loved ones or even their own lives.

Why has Jehovah permitted such wickedness until our day? There are a number of reasons, but to understand those reasons properly we need to examine the issues raised at the time of the first rebellion. You have likely read the account of this in the Bible, in the third chapter of Genesis. Let us consider, then, the real meaning of these events. Briefly, this is what occurred.

Jehovah told man that his life depended upon obedience to his Creator, and that disobedience would result in death (Gen. 2:17). God's adversary, Satan, contradicted this clear statement. He told Adam's wife that the human pair could disobey and still "You positively will not die." He further claimed that such disobedience would actually improve matters for them, causing their eyes to be opened, and that they would "be like God, knowing good and bad" (Gen. 3:4,5). Now what was involved in this rebellious action of Satan?

A number of issues or vital questions were raised. First, Satan called into question the truthfulness of God. In effect he called Jehovah a liar, and that with regard to a matter of life and death. Second, he questioned man's dependence on his Creator for continued life and happiness. He claimed that neither man's life nor his ability to govern his affairs with success depended upon obedience to Jehovah. He argued that man could act independently of his Creator and be like Jehovah, deciding for himself what is right or wrong, good or bad. Third, by arguing against God's stated law, he in effect claimed that God's way of ruling is wrong and not for the good of his creatures and in this way he even challenged God's right to rule.

But Satan's action raised still another question, as is shown later in the Bible in the book of Job, chapters 1 and 2. There, in connection with a man named Job, it is shown that Satan called into question the faithfulness and loyalty to Jehovah God of all creatures. In so many words, Satan made the claim that those who serve Jehovah do so not because they love God and his righteous rule but only for selfish reasons, such as the material blessings God gives them. He claimed that if such reasons were taken away, then even a man like Job would turn away from God (Job 1:6-11; 2:4,5). Yes, Satan's rebellion in Eden called into question the loyalty of all God's creatures in heaven and on earth. If put to the test, would they prove their love for Jehovah and show that they preferred his rule to that of any other?

Next week we'll discuss God's way of settling these issues.

Ray Zwidayk,
Haliburton.

IS THE BIBLE THE COMPLETE AND FINAL REVELATION OF GOD TOO MAN?

In more recent times since the Bible was written the public has been flooded with claims of later revelations from God.

Mrs. Mary Baker Eddy has given us "Science and Health With Key to the Scriptures". Mrs. Ellen G. White has published "Testimonies of the Church", and Joseph Smith has presented the world with the "Book of Mormon". We are also familiar with "The Living Voice of The Living Church". But these professed prophets contradict the Bible, themselves and each other. A careful examination of their writings will prove all of them to be deceptions, therefore false prophets. Then right along in keeping with this same trend the Jehovah Witnesses in their New World translation of the Christian Greek Scriptures have cleverly altered passages which they do not like, or which tend to dispute certain of their tenets. The result is the same.

But what about the Bible? How strong is the evidence to support its claims? Peter informs us: "For the prophecy came not in old time by the will of man; but holy men of God spake as they were moved by the Holy Spirit." (II Pet. 1:21). This accounts for the inspiration of the Old Testament.

Jesus promised his disciples: "Howbeit when he, the Spirit of truth is come he will guide you into all truth." (Jno. 16:13). That promise was fulfilled on the day of Pentecost (Acts 2). Guided by the Holy Spirit, the apostles and prophets of the New Testament revealed, recorded and confirmed the will of Christ. The result is

DEPARTMENT OF TRANSPORTATION AND COMMUNICATIONS

NOTICE TO EQUIPMENT OWNERS

TENDER NO. 11-71-88

For work on Highway 103 from MacTier to the Junction of Highway 501.

The following equipment is required:

2 - Backhoes combination loader, on rubber, approx. H.P. 34 to 57, front-end bucket to be 1/2 to 7/8 cu. yd., rear-end bucket to be approx. 18" wide.

SEALED TENDERS on forms supplied by the Department will be received by the District Engineer until 12:00 o'clock noon, local time, Wednesday, February 23, 1972.

Tender forms and envelopes may be obtained in person or by mail from the District Office in Huntsville, Ontario.

Equipment subject to inspection before tender is accepted.

The lowest, or any bid, will not necessarily be accepted.

Equipment to start work on February 28, 1972.

R. S. CHAPMAN, District Engineer,
Department of Transportation & Communications,
207 Main St. West, Huntsville, Ontario.
Telephone 789-2391.

LETTERS TO THE EDITOR

February 14, 1972.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

Having read your editorial regarding the annual grant to the Chamber of Commerce, I can only wholeheartedly agree. As a newcomer to the area (some prefer to call it "furriner") and the operator of a small business, I have been impressed with the lack of any promotion for the area above Highway 121. I feel that our tax dollar should benefit all, not one particular area.

There are many locations in the County that would be of interest to the tourist, but due to the fact that very few are designated by signs the public is long gone past it and spend their time in other areas surrounding us — that are being promoted.

I have been told by many residents of this area that Hall's Lake is the deepest fresh water lake on the North American continent. You could fool the travelling public — it could be a water hole for the extinct dodo as far as they know. I have seen many pictures of Buttermilk Falls in brochures, but when you drive up Highway 35 — well, it is marked on the road maps, but you had better have your contact lenses polished to find it.

Does anyone know where Blagdon Hill is? And the history attached to it? Or that Mr. Billings and his wife are buried on the property in their own private plot surrounded by an ornamental iron fence? It's a beautiful location and the sign on the front door welcomes sightseers.

How many people know where the old log chute is located at Big Hawk Lake dam? This is in the process of being restored to its original state.

How many tourists would know where to look for the natural formation of rock resembling an Indian head? Anyone interested can find it on Big Hawk Lake, and the scenery of this lake and adjoining Little Hawk Lake is enough to relax anyone.

How about the Buckside dam and the river joining Kushog and Boshkung?

Does anyone know where the pioneer cemetery is located on Boshkung Road? I do!

I could go on, and still not be able to express the beauty of our County — many locations that I have not seen. This section of Canada has been too long neglected, and for one would like to see the situation rectified, so when the Chamber of Commerce requests additional funds to promote the area I hope they have everyone in mind and not a select few.

H. C. Dunn,
R.R. 2, Minden, Ontario.

Halimar
Haliburton, Ontario,
February 14, 1972.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.

Dear Sir:

Your editorial directed against the work of the Haliburton Highlands Chamber of Commerce shows a remarkable unawareness of the value of the tourist dollar to this county.

May I remind you of the possible results of successful tourism to our county as follows:

- (1) Jobs in tourist industry or businesses allied to tourism mean more local spending.
- (2) Expansion of existing trade services created by annual tourist influx.
- (3) Generates entirely new money over and above regular spending.
- (4) More and better business buildings mean increased assessments to communities.
- (5) Seasonal upswing in business creates new jobs, traced directly to tourism.
- (6) Makes it economically possible for new businesses to develop and prosper.

Not only the main stores, restaurants, hotels and resorts, gasoline stations and theatres benefit, but there are countless hidden recipients such as doctors, lawyers, real estate, surveyors, hospitals, printers, building suppliers, insurance agents, carpenters, dairies, plumbers, electricians — everyone! Should everyone support such an important county industry? Did you read the Chamber of Commerce brief to County Council published in your paper two weeks ago? It also explained about industry.

Since the county Chamber of Commerce and its members are

well aware of the above facts they realize that they must indeed support our biggest industry — i.e. tourism — in every way, as well as look for new clean industries for our county. The Chamber is doing both.

This county does not have more visitors than it can handle. Check your statistics. The Chamber is indeed supporting winter business. Have you seen the winter advertising on television promoting snowmobiling, skiing, ice-fishing, curling and winter socializing in the Highlands of Haliburton? This is paid for by Chamber of Commerce money. Promotion requires money.

Membership is open to everyone. Why is this important work left to such a relatively few members? They are doing a terrific job for the county in spite of limited funds and the sort of apathy which your letter engenders.

Is our county going to support the tourist industry to the full, or leave other tourist areas of the province to take a lead? Muskoka's county grant to their tourist industry is \$25,000 — that's Twenty-Five Thousand Dollars. How does this compare to Haliburton County's last year's grant of \$3500 — that's Thirty-Five Hundred Dollars?

Raise your sights!

(Signed) Marion Henry.

To The Editors,
The Haliburton County Echo
and The Minden Progress.

As President of the Haliburton Highlands Chamber of Commerce I take this opportunity to respond to the editorial which appeared in the last issue of the Haliburton Echo and headed "It's Grant Time Again".

The news media's current enmeshment with the events surrounding the Howard Hughes-Clifford Irving affair demonstrates again the great impact made by such publicity upon the consciousness of people and upon the lives and welfare of the persons and corporations associated with the whole matter. Even the McGraw-Hill publishing company, which is said to have paid author Irving \$650,000.00, may reach the conclusion its funds were not mispent regardless of the authenticity of the work. The Chamber of Commerce, being a promotional organization itself, welcomes all references to it therefore, and I sincerely thank both newspapers for keeping the Chamber's name before their readers in recent issues.

John Q. Public thirsts for fact and knowledgeable opinion and is not truly refreshed by fiction or wishful thinking. It is the combination of continual unfolding facts with knowledgeable opinion which keeps the public's interest alert in the Hughes-Irving business, and I mean to deal with that combination in commenting upon the editorial.

In your editorial you mention that the businesses of this area are filled to capacity, during the summer months. In a poll conducted this past week, I would point out that this is a totally inaccurate position for the editorial to take. The facts are these, as they pertain to the tourist accommodation business: Occupancy for the month of July 1971 - Hotels and Motels (L.L.B.O.) 70%; Motels (not L.L.B.O.) 66%; Cabins, 1 - 2 rooms, 57%; Cottages 80%; Lodges 60%.

The above figures are courtesy of the Department of Tourism and Information Head Office in Toronto.

As you can see, these figures do not represent the Utopian situation that your comment would represent. In the same survey we could not find one businessman in Haliburton, Minden, Dorset or Wilberforce who could not handle more business, summer or winter.

As to the lack of winter promotion I would draw your attention to our brief which was printed in both papers and drew attention to the fact that this year the Chamber of Commerce completely changed its map brochure at a cost of over \$5,000 to present a Four Season Image of this County. Also in our brief we pointed out that the Chamber of Commerce was initiating a winter television advertising campaign over CKVR-TV in Barrie. The audience of this station is in excess of 2,500,000 people and covers most of Metro Toronto. The cost of this campaign alone will be in excess of \$2,000.

Direct tourist spending in Haliburton County last year exceeded

\$11,000,000.00. Consider this figure in relation to any other spending done here. The tourist dollar is a NEW dollar. It is spent mainly within the county, giving us a spending power of almost double the original figure of \$22,000,000.00, another Department statistic. If the tourist dollar is not significant, then the people of this area might just as well forget it.

The editorial also mentioned the fact that not enough work was done in the area of economic development.

I would site the following: The Haliburton County Economic Development Commission formed by the Chamber of Commerce and the County Council last year. The Industrial Development Seminar held at Deer Lodge last June.

Many, many contacts made by the Secretary-Manager and other interested parties in the Economic Development field such as the Royal Bank of Canada, Canadian Imperial Bank of Commerce, Ontario Department of Trade and Development and the Industrial Development Bank of Canada, whose opinion it was that the future of this County lay in the recreational field and certainly not in the industrial field. The main factor pointed out was excessive distance from the major consuming markets.

Knowledgeable opinion? Well, here comes mine. It will not sit well with many people, including some Chamber members, but the fact is I do not wish to indulge in wishful thinking. Those of us who attended the seminar on Industrial Development at Deer Lodge last year — county councillors, municipal officials and Chamber members — learned as many of us knew, that the tourist industry is the one to rely on for economic growth. To spend public funds in attempting to bring industry to Haliburton County would amount to a mistrust. The Chamber should spend its revenue in promoting the uniqueness of Haliburton County. In staying unspoiled and different tourists who will never become full-time residents will be attracted to come here, at all times of the year. If sufficient revenue were available, in my view, the Chamber should employ a full-time lobbyist at Queen's Park to convince the government and its agencies to inject capital into the County to upgrade and establish new facilities for recreation and accommodation. The Chamber should promote the care and cleanliness of the environment and the pursuit of all cultural activities in an unique environment. The fact is that more people with more leisure time will want to visit and spend money in a much different part of Ontario and our Chamber should join with County Council and all people who live here to make certain that we do our best to keep Haliburton unpolluted, unhurried but not unsung.

The Chamber of Commerce is the one promotional agency in the county recognized by Queen's Park and it needs a substantial County Council grant to operate and to ensure that our people achieve a satisfactory livelihood and above average lifestyle.

J. Earl Palmer, Q.C.,
President, Haliburton
Chamber of Commerce.

Judicious Mismatching Of Talent In Ontario Cabinet

By HAROLD GREER (Toronto Daily Star)

Something besides random chance was presumably at work in Premier Davis' mind when he reshuffled his cabinet. The message may be obscure but it must be there; one does not simply take 21 cabinet ministers and give all but two of them new jobs without trying to achieve something.

That something, it seems to me, is a weak cabinet dominated by the premier and a few superministers. No other rationale fits the pattern of switches Mr. Davis has wrought.

In the first place, Mr. Davis ignored all of his backbench warmers, even to the point of forgetting his campaign promise to appoint a woman — he has two available — to the government. True, 28 of his 56 backbenchers are new members and it takes very unusual circumstances for a new member to make the cabinet during his first year or even his first term. It must also be admitted that there wasn't much to choose from among the older hands.

But there were a few — Glen Hodgson of Victoria-Haliburton, Arthur Meen of York East and Leonard Reilly of Eglinton come to mind — who had a claim in terms of record and ability and who deserved at least a chance to show they could do better than the long-term incompetents Mr. Davis has decided to keep around. Promotion to the cabinet is much yearned for, and a leader ought to satisfy it occasionally in the interests of party morale and discipline if he can; it is one of the unwritten rules of the game. Mr. Davis' caucus can now be under no illusions as to how he feels about that.

But that, it appears, is the way Mr. Davis wants it. The effect of his reshuffle, it may be noted, is entirely consistent with the recommendations of the Committee on Government Productivity; he has even swallowed some of his initial reservations, such as absorbing the Department of Municipal Affairs into a grandiose Ministry of Finance and Intergovernmental Affairs under Darcy McKeough. The result is pretty much what the Committee had in mind — six superministers (Davis, McKeough, Charles McNaughton as Chairman of the Management Board of cabinet, and Allan Lawrence, Robert Welch and Bert Lawrence as policy co-ordinators) and 16 rank and file ministers whose essential function would be departmental administration.

The political problem in achieving this, of course, is to create superministers while insisting all ministers are equal. By a judicious mismatching of talent and challenge, Mr. Davis can be reasonably confident he has succeeded.

Guest Editorial
Is Sunday The Sabbath Day?

One of the ten commandments requires observers of the law to "Remember the Sabbath Day to keep it holy." The Jewish people, to whom the law was given, have observed this Sabbath day for over five thousand years now. It falls on Saturday, the seventh day of the week. See your calendar.

By the time Jesus came on the scene, Sabbath observance had become a ritualistic thing with real "blue laws" regulating even distance limits to travel! One New Testament episode revolves around a controversy as to whether a man could exert enough energy to rescue his domestic animal from a pit without breaking the labour laws! Ontario's "blue laws" have never been so restrictive regarding Sunday observance but even they have come to chafe many of the so-called "liberated" individuals of our society.

Right from the beginning the Christian Church has observed the first day of the week (the Lord's Day) instead of the seventh day Sabbath. Some Jewish-Christians observed both. The seventh day was a day commemorating God's rest from his creative labour. The first day of the week was, and should be, a day of joyful celebration of the resurrection of Christ — God at work in redemption. Jesus rested in the tomb over the Sabbath but arose to redeeming activity on the Sunday.

Medieval theological misunderstandings coupled with Presbyterian, Scottish thoroughness combined to produce a legalistic Lord's Day.

The Christian religion should not look to the laws to establish a universal observance of the Lord's Day. Legalizing destroys the joy of it all.

However, individual Christians should work as citizens to see that the labouring man has a day off each week because of the social and physical benefits of such a practice. Obviously a Christian would prefer that his own day off would be a Sunday so that he can voluntarily join with his brethren and sisters in Christ for worship and fellowship as well as with his family in wholesome enjoyment of a day together.

Doesn't it make sense that everyone should have the same day off to allow visiting, non-profit community interaction, religious observance for those who wish it, and rest for all who need it?

While Sunday is not the Sabbath, Christians can, and should, in good conscience, oppose any moves to encroach on its freedom... not for religious reasons necessarily but because the idea is good in itself.

Noel McNeill (Full Gospel Lighthouse).

Minden News

Lola and Morgan Prentice left over the weekend for a couple of week's holidays in Florida.

Valentine Parties were the order of the day with two going on Saturday night, one by the Skating Club at the Lutterworth Centre and one at the Hyland Crest Senior Citizens' Home.

Sincere sympathy goes to the families and friends of the late Mrs. Steve Harrison and Mr. Carman Kellar whose funerals were held since last week.

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon the winners were: for cribbage - Peggy Brown and Ellen Schribner, and for euchre - Diane Stevens and Johann Beattie.

Mr. Carl Bates of Vancouver has been holidaying with his sister and her family, Mr. and Mrs. R. Jarvis, at Twelve Mile.

Sara and Hank Schrikkema are home after having a pleasant holiday near St. Petersburg, Florida.

Miss Carolyn Coburn was the recipient of a Wedding Shower held at the United Church Hall last week, and she received many lovely gifts. The large crowd of ladies enjoyed a social evening and a very delicious lunch.

Patients at the local Red Cross Hospital early this week included Mrs. Alice Fearrey, Grant Hewitt, Mrs. Catherine Burr, Calvin Sisson and Mrs. Peggy Wheeler, and last week Mrs. Audrey Dunn and her new baby girl.

The Leisure Hours Club for Senior Citizens is still going on every second Wednesday afternoon at the Hyland Crest Home, and they welcome others to come and join in the fun.

Miss Jane Blake is back at work at the Canadian Imperial Bank of Commerce after a leave of absence.

The new Arena here will be started early this year, as stated by Reeve Charles Brandon, so the next Winter Carnival will be held in the building.

Mrs. Harry Welch has returned home after a three-month holiday with Mr. and Mrs. Gerald Welch at Quincy, Florida.

Congratulations to Judy and Brian Edwards on the arrival of their baby boy on February 6, a first great grandchild for Louella and Cecil Yearwood.

Haliburton News

Mr. and Mrs. Vivan Silver of Port Hope were visitors here over the weekend.

Mr. and Mrs. Don Rennick of Toronto were visitors here over the weekend.

Mrs. Ken Pritchard of Ottawa (formerly of Haliburton) is recovering from surgery in the Ottawa General Hospital.

Patients at the Red Cross Hospital in Haliburton this week are as follows: Mrs. Audrey McIntyre and Mrs. Evaline Carpentier, both of Haliburton, Mrs. Margaret Fawns of Eagle Lake and Mr. Wallace Rowley of Highland Grove.

Letter To Editor

February 15, 1972.

To The
Haliburton County Echo.

Will the snowmobiler who crashed into and fatally injured my nine-year-old pet Basset hound on Thursday please come forward and identify himself. I have an idea that I know who it is, but want to see if he is man enough to declare himself. My dog died in Fenelon Falls Animal Clinic and there are considerable expenses involved which I think the person who hit him should be willing to pay at least part of, as I am a widow and self-supporting and the dog meant everything to me.

These snowmobiles are the curse of this otherwise very lovely village, and are even allowed to run on the sidewalks. On Saturday a.m. I had to get off the sidewalk on Victoria and into a snowbank to let this idiot go merrily on his way occupying all of the sidewalk. I always thought they were for pedestrian use only, but this situation has gone completely out of hand. The snowmobiles were originally for use in bush country only, but now they have taken over completely here in this village, and are an absolute curse. I live on a corner and they roar around there all night long. Do we not have any by-laws against them?

Gladys Kyles.

Delegation Attends Real Estate Board's 50th Convention

The Immediate Past President, Terry Masters, and Director Lloyd Otto of the Lindsay & District Real Estate Board led a delegation to the Ontario Association of Real Estate Board's 50th Annual Convention. Held in Toronto this year from February 13 to 16, the convention was expected to attract over 800 delegates and wives from across the province. Headquarters in Toronto was the Royal York Hotel.

During the three-day meeting, delegates were to hear a variety of speakers and panels on various aspects of the real estate industry. A high point of the convention was the election of the 1972 officers. Current O.A.R.E.B. President was John Boyd, F.R.I., of Smiths Falls, and the Vice-President was Gerald Grisdale of Thunder Bay.

HALIBURTON
COUNTY ECHO
TELEPHONE 457-1037

Tory Hill News

We are sorry to report the death of Mr. Fred Haas, which occurred in Lindsay on Sunday. He was the father of Mr. Les Haas. Mr. F. Haas was well known around this part of the county as the Rawleigh man for many years. He was in his 93rd year.

Sympathy of the village goes to Mrs. Julia Maughan on the loss of her husband, Mr. Tom Maughan, who passed away on Monday afternoon in Peterborough.

Mr. and Mrs. Don Ferguson were in Hamilton over the weekend to visit with Don's mother who is quite sick.

Mrs. Walter Reil, Blair Reil and Lynn Tallman motored to Toronto on Sunday where Blair entered the Toronto General Hospital again for plastic surgery on his hand.

Mrs. Kath Anderson, Mrs. Evelyn Anderson and Mrs. Vera Brooking were in Haliburton on Thursday.

Mr. and Mrs. Barney Rivers from Aurora were at their summer home over the weekend. Mrs. Rose Spears was shopping in Haliburton this week.

Harry Brohm.

NOTICE

Mr. and Mrs. Henry Howe cordially invite friends and relatives to join them in celebrating their 50th Wedding Anniversary at the Canadian Legion Hall in Haliburton on Saturday, February 26, 1972, at 8:30 p.m.

CARD of THANKS

I wish to thank all my friends, neighbours, relatives and the ladies of the Anglican, Baptist and United Churches for their lovely cards, gifts and kind wishes. A special thanks to Lou Consky and Ab LaRue who are very good to Art. Your thoughtfulness has made these weeks more pleasant for me at the Wellesley Hospital in Toronto. Gladys Lee.

The family of the late Mrs. Elsie Harrison would like to express their sincere thanks and appreciation to their relatives, friends and neighbours for the many acts of kindness, cards and floral tributes during the recent death of a loving mother and grandmother. Special thanks to Reverend W. Oake for his daily visits to the hospital and prayers, the ladies of the United Church, Red Cross Hospital, Dr. Koval, the John Welch and Son Funeral Home and the Minden Ambulance Service.

ENGAGEMENT

Mr. and Mrs. Lorne Coburn of Minden are happy to announce the engagement of their daughter Mary Carolynn to Gordon Keith Hamer, son of Mr. and Mrs. Keith Hamer of Willowdale. The wedding to take place on March the eleventh, nineteen hundred and seventy-two, at Grace Chapel, Ontario Ladies' College, Whitby, Ontario.

IN MEMORIAM

KENT - In loving memory of Irene Kent, who passed away on February 13, 1970. Dear Mother, we have missed you very much; The Lord has called you away to heaven, The place of eternal rest. - Sadly missed by daughter Lois, son-in-law Cecil Smith and children.

McPHAIL - In loving memory of my dear husband, Delbert Wilson, who entered into eternal rest on February 17, 1971.

There is no parting from those we love, No distance can divide, For today in memory's garden We still walk side by side; Each dawning day a thought of him, At eventide a prayer, In the heart that loved him He always will be there. - Fondly remembered by wife Frances.

McPHAIL - In loving memory of Delbert Wilson McPhail, who passed away on February 17, 1971.

There's an open gate at the end of the road Through which each one must go alone, And there in a light we cannot see, Our Father claims his own; Beyond the gate our loved one Finds happiness and rest, And there is comfort in the thought That a loving God knows best. - Lovingly remembered by the Family.

Township Of Anson, Hindon & Minden Council Minutes

The Second Meeting of the Council of the Townships of Anson, Hindon & Minden was held in the Council Chambers of the Municipal Building, Minden, on Wednesday, February 9, 1972, commencing at 9:00 a.m. Present were Reeve Charles S. Brandon, in the Chair; Deputy Reeve R. Windover; Councillors R. Booth and D. Pritchard; Richard Parisotto, Clerk-Treasurer; J. Earl Hewitt, Road Superintendent; and Siegmund Weiss, By-Law Officer.

Moved by R. Windover, seconded by D. Pritchard, that the minutes of the meeting of January 12, 1972, be approved. Carried.

Mrs. Irene Moore was present representing the Library Board. Moved by R. Windover, seconded by D. Pritchard, that the Library Board budget be approved in the amount of \$1,050 for the year 1972. Carried.

A letter was received from the Minden Branch of the Women's Institute requesting a crosswalk in the middle of the main street, with Mrs. Irene Moore being present and representing the Institute. The Council directed that a letter be sent to the Institute explaining how Provincial regulations on crosswalks would prohibit the establishment of one on the main street. Further, it was decided that the O.P.P. be written regarding the excessive speeding on the main street.

A letter was received from Solicitor Mr. Hugh Robertson requesting a re-zoning for the establishment of a trailer camp in Lot 26, Concession 5, Minden Township. The applicant is to be advised of details which would discourage this project.

The annual report from the Minden Recreation Committee and the Minden Community Centre Board of Management was received by the Council.

The Clerk presented a report on the finances of the Minden Fire Department with supplementary information on protection services provided to adjacent municipalities. The Township of Lutterworth and the Township of Snowdon are to be contacted regarding the review of fire protection services.

A letter was received from the Minden Rotary Club regarding Gull River shoreline improvements. Moved by R. Windover, seconded by R. Booth, that the municipality co-sponsor a project for shoreline improvements on the Gull River adjacent to the Sunnybrook Bridge with the Rotary Club of Minden. Mr. S. Weiss is appointed to direct the project. This project shall be carried out in conjunction with the Provincial-Municipal Employment Incentive Program. Carried.

Mr. W. Titzman was present voicing repeated concern of the burning of the Scotch Line Dump. The Clerk and By-Law Officer reported that an inspection made showed that flying debris from the burning dump fell on and near the Titzman house. Council decided that persons caught burning the dump be prosecuted through the Ontario Government Department of the Environment. Moved by R. Windover, seconded by R. Booth, that the By-Law Enforcement Officer have signs made for the Scotch Line Dump prohibiting burning of dump and signs directing to dumping area. Carried.

Moved by R. Windover, seconded by R. Booth, that the following be appointed to the Cemetery Board of the Townships of Anson, Hindon & Minden for the year 1972: J. Earl Hewitt, Frank Welch, Richard Parisotto, Ila Lytle, Allan Rogers, Roy Windover, Doug Pritchard. Carried.

Moved by R. Booth, seconded by D. Pritchard, that Mrs. Muriel Welch be appointed to the

Minden Recreation Committee and the Minden Community Centre Board of Management for the year 1972, filling the vacancy created by the resignation of Patricia Campbell. Carried.

Moved by R. Booth, seconded by R. Windover, that we petition the Department of Transportation and Communications for the balance of the 1971 Roads Subsidy. Carried.

Moved by R. Booth, seconded by D. Pritchard, that the Accounts payable be approved in the following amounts: General - \$15,319.97, Water - \$60.00. Carried.

Moved by R. Windover, seconded by R. Booth, that the Road Accounts be approved in the following amount of \$8,197.07. Carried.

Moved by R. Booth, seconded by D. Pritchard, that we call tenders for 10,000 cubic yards of crush at two separate pits. Carried.

Moved by R. Booth, seconded by R. Windover, be it resolved that the Township do petition the Ontario Department of Transportation and Communications for subsidy approval on a supplementary by-law in the amount of \$76,500.00 for roads and equipment in 1972. Carried.

It was decided that a Special Meeting of Council will be held on Wednesday, February 16, 1972, at 9:00 a.m.

Stanhope Township Council Minutes

A Special Meeting of the Stanhope Township Council was held in the Council Chambers on January 21, 1972, at 7:30 p.m.

Moved by Jim Harrison, seconded by Elvin Johnson, be it resolved the Clerk contact Mr. R. S. Chapman, District Engineer of the Department of Transportation & Communications, informing him that the Council of the Township of Stanhope refuse the allotment for construction originally granted for the year 1972. Council feel the amount is unreasonably low in comparison to the previous year and unless an adjustment is made a request for a meeting with the Minister will be necessary. Carried.

Moved by James Elder, seconded by Jim Harrison, be it resolved the Clerk be authorized to apply to the Department of Manpower and Immigration for Federal assistance under the Local Initiatives Program. Carried.

Moved by James Elder, seconded by Elvin Johnson, be it resolved the Council of the Township of Stanhope petition the Department of Transportation & Communications for the subsidy under the provisions of the Public Transportation and Highway Improvement Act on expenditures made during the year 1971. Carried.

Moved by James Elder, seconded by Elvin Johnson, that By-Law No. 72-3 for the purpose of extending the due date for taxes levied under Section 42 and 43 of the Assessment Act for the year 1971 pass the required three readings, was carried without amendment, was signed and sealed by the Seal of the Corporation and engrossed in the By-Law Book. Carried.

Moved by James Elder, seconded by Elvin Johnson, be it resolved that this meeting do now adjourn at 11:45 p.m. Carried.

The Regular Meeting of the Stanhope Township Council was held on February 2, 1972, at 7:30 p.m.

The following motions were passed:

(1) The minutes of the regular meeting held January 5, 1972, and also the minutes of the special meeting on January 21, 1972, be adopted as read.

(2) The Clerk be authorized to publish a notice in the local papers regarding the parking of motor vehicles on township roads.

(3) The Clerk publish a notice in the local papers informing the residents of the Township of Stanhope that 1972 Dog Tags are available at the Municipal Office or from the By-Law Enforcement Officer.

(4) The Clerk write the Honourable Charles McNaughton, Minister of Transportation and Communications, requesting a review of the initial 1972 construction subsidy allocation for the Township of Stanhope — the 1972 construction subsidy allocation is considerably lower than the amount approved for construction.

Moved by R. Windover, seconded by R. Booth, that By-Law No. 72-6, having been read a first time, be considered as read a second and third time and passed; being a by-law to accept title to certain property for future road purposes in Lot 2, Concession A, Anson Township. Carried.

Moved by R. Booth, seconded by D. Pritchard, that By-Law No. 72-7, having been read a first time, be considered as read a second and third time and passed; being a by-law to amend By-Law 71-15, being a by-law to regulate and license the owners and drivers of motor vehicles used for taxis. Carried.

Moved by D. Pritchard, seconded by R. Booth, that By-Law No. 72-8, having been read a first time, be considered as read a second and third time and passed; being a by-law to permit certain public games and sports on Sundays. Carried.

Moved by R. Windover, seconded by R. Booth, that By-Law No. 72-9, having been read a first time, be considered as read a second and third time and passed; being a by-law to authorize an agreement between the Townships of Anson, Hindon & Minden and the Minden Agricultural Society. Carried.

Moved by D. Pritchard, seconded by R. Booth, that we do now adjourn at 4:00 p.m. Carried.

by the Department in 1969. The Council feels that in view of the increased costs for labour, material, etc., since 1969, and also taking into consideration the demands and needs of the people, this allocation is most unreasonable. It appears that unless the Department of Transportation and Communications amends this situation the township will have no alternative but to lay off the road employees when the maintenance allocation is expended.

(5) The Department of Transport be requested to renew the Airport License No. 5137 - File No. 5151-438 (OCAW).

(6) The Council of the Township of Stanhope proposes to zone part of Lot 30, Concession 5, Township of Stanhope, as a rural residential area.

(7) The Clerk be authorized to forward the required membership fee to the Lake Ontario Regional Development Council for the year 1972.

(8) The Council of the Township of Stanhope advise the Department of Municipal Affairs, the Municipal Subsidy Branch, to cancel the application for assistance submitted to the Federal Local Initiatives Program; this cancellation is the result of differing opinions regarding the rules and regulations of the program.

(9) The Clerk notify Totten, Sims, Hubicki Associates Ltd. to prepare the additional development plans of the Hawk Valley Park, which will be in accordance with the procedure advised by the Department of Environment, Conservation Authorities Branch. It is the understanding of Council the cost of the completed development plan will total \$2,650.

(10) The Council of the Township of Stanhope appoints H. C. Dunn, Ian Gray and Robert Nangle as Fire Wardens for 1972, who will issue Fire Permits and also be classified as firefighters; and also that John Kinsman, Ray Welch and Holly Harrison be appointed as firefighters.

(11) The following Accounts be allowed for payment: General \$937.94, January Welfare \$838.84, Road Voucher No. 1 \$3,944.91.

(12) The Clerk contact Mr. Reginald Perkins, Mrs. Jean Russell, Dorothy Lawr, Percy Stiver, Mr. John F. Button, Edna A. Hutchinson and Dr. G. M. Morrow regarding the acceptance of an alternate access to property which each owns within the Township of Stanhope.

By-Law No. 72-4 for the purpose of increasing the salary of the Road Superintendent and By-Law No. 72-5 for the purpose of increasing the wages of the hourly rated employees on the road system both passed the required three readings, were carried without amendment, were signed and sealed by the Seal of the Corporation and engrossed in the By-Law Book.

A motion was passed that this meeting adjourn at 11:00 o'clock p.m. until March 1, 1972, at 7:30 p.m., unless called sooner by the Reeve.

Canada Manpower Centre News

Commenting on the results obtained by the Peterborough Canada Manpower Centre for January of 1972, Dick Kenzie, the Manager, noted that both referrals and placements were well above the levels of 1971 and that this increase was not solely due to special Federal and Provincial Winter Programs. In January 1971 the Canada Manpower Centre made 426 referrals and recorded 100 placements. The figures for this year were 945 referrals and 344 placements; 96 placements being made on Federal programs including 79 under the Local Initiatives Program and 17 under the Canada Manpower Training-on-the-Job Program while 81 persons were placed on provincially funded projects.

The Training-on-the-Job Program is expected to reach its peak by March 31st, Mr. Kenzie continued, and to date (February 7) 39 submissions have been made by local employers to train 133 unemployed persons. The Department of Manpower and Immigration is aiming to create 13,000 jobs under this new program by the end of March.

The regular Canada Manpower Training Program saw 51 local clients commencing training during January in various courses. Courses starting in February included Marine Mechanics (oversubscribed) and Commercial courses as well as upgrading classes, Mr. Kenzie said, and persons interested in retraining should contact the nearest Canada Manpower Centre. Persons residing in Haliburton County may wish to discuss training and other Manpower services with the counsellor during his monthly trip to that area.

During the month of January six persons received grants under the Canada Manpower Mobility Program to explore employment opportunities in other areas and five family units received relocation grants. In addition to this outflow of labour from the Peterborough C.M.C. area which includes Peterborough and Haliburton Counties and parts of Durham, Northumberland and Victoria Counties, one family unit moved into our area with the help of a Federal grant, stated Mr. Kenzie.

The Creative Job Search Technique classes continued each Wednesday evening at Central Community School with Manpower Counsellors acting as instructors. This program, which starts at 7:00 p.m. each week, teaches unemployed persons to approach job seeking in a positive and organized manner, including the preparation of a resume that will draw their strong points to the potential employer's attention. Persons wishing to attend these classes should contact their Manpower Counsellor or simply appear at Central School at the time mentioned.

In conclusion, Mr. Kenzie said that he hopes that the momentum gained from the various special winter programs will have a multiplier effect on the overall job market during the coming months.
